I, [REDACTED], make the following  
free and voluntary statement to [REDACTED]  
whom I know to be IPAC INBOUND OIC

I make this statement of my own free will and without any threats or promises extended to me. I fully understand that this statement is given concerning my knowledge of GySgt Tyson's dependent entry into Okinawa, JP. On December 21, 2016 SNM's losing command (HHS MIRAMAR CA) sent an Area Clearance request via AIMS to MCB Camp Butler IPAC. Attached to the request was the NAVPERS 1300/16 Report of Suitability for Overseas Assignments. This document is required IOT Process Area Clearance requests. The NAVPERS was not signed by GySgt Tyson, Sharonda. It was, however, endorsed by two Senior Officers and the members Senior Enlisted Advisor. The Report of Suitability is fairly comprehensive and covers a range of issues. It ensures members and their dependents have gone through the screening process and are declared suitable for overseas assignment. Considering the fact that the document was signed by an interviewer, MTF, and the members losing command, there were no immediate red flags. The members Orders were checked for accompanied status and MATFS was checked to confirmed sufficient time on contract. After review of SNM's NAVPERS 1300/16, orders, and MATFS screen, the determination was made to approve the request. The Area Clearance was issued and granted GySgt Tyson's dependent entry into Okinawa.

free and voluntary statement to

whom I know to be Investigating Officer

In December 2015 discussions about PCS Orders to Japan began and I informed [REDACTED] the 46xx Occ Field Sponsor and MSgt Bills the 46xx monitor. In December 2015 I went to legal and asked questions about my husbands debarment. In January 2016, I emailed a copy of my husbands debarment paperwork to [REDACTED]. In March 2016 those Orders were cancelled. In October 2016, the discussions about my orders to Japan continued once again and I reminded [REDACTED] about my husbands debarment and I received orders. I executed the Orders given to me. In December 2016, I informed IPAC that my husband had legal issues in Okinawa in 2010 and my area clearance might come back disapproved expecting them to add a note to my request. The response I received was "we'll cross that bridge then, if it comes back disapproved". After Christmas my area clearance returned approved. I assumed that the debarment had been lifted and my husband was granted access to military installations. In January 2017 my family and I arrived in Japan. On March 6, 2017 my husband and I were renewing our Identification Cards on Kadena Air Force Base and when we went to get him swipe access at the registration office, he was held for questioning by [REDACTED] and [REDACTED]. They informed us that my husband was not authorized on Kadena. [REDACTED] told us that they were calling around to all the installations on the island to check if my husband was on there debarment list and every base said No. On March 8, 2017 when the Air Force sent the blotter report to the Marine Corps and [REDACTED] did some research and found out my husband was debarred from all military installations. On March 9, 2017 [REDACTED] asked me for a statement regarding how I was able to bring my husband to Japan. On March 10, 2017 I provided [REDACTED] with a statement and then he asked me if I knew my husband was debarred until 2030 and why didn't I inform the command of my husband being debarred. I told [REDACTED] that "yes, I knew my husband was debarred but we assumed it had been lifted because the area clearance was returned approved and that I didn't inform my gaining Command about his debarment after the area clearance was approved because I did not want to be judged and treated differently for something my husband did 7 years ago. After I gave [REDACTED] my statement and during our conversation I felt like I was being interrogated and my integrity and judgement questioned as if I committed a crime. On March 13, 2017 while talking with the Base Magistrate [REDACTED] to get information about the Appeals process he said that "it was nothing I could do, it was my fault that my husband was in Japan and my husband should have been arrested on Kadena". [REDACTED] asked me the same questions that [REDACTED] did and he said that my statement was here-say. I went to talk to legal and he followed me and talked to the lawyers before me and gave them a summary of what happened. When I sat down with a lawyer he said that [REDACTED] told them what happened and they could not help me until the command formally charged me under the UCMJ. On April 26, 2017 I sat down with CID [REDACTED] where I was informed of my suspected charges, he said that the command requested the investigation on March 8, 2017. When I gave [REDACTED] my statement on March 10, 2017 he did not read me my rights and inform me that an investigation had been initiated. [REDACTED] and [REDACTED] did not treat me fair or with dignity, I felt belittled and humiliated.

I had no intention to defraud the government, nor deceive my gaining command by uprooting my family in the middle of a pregnancy, my husband quit his job, and the time and effort it takes to move to Okinawa to be in this situation.

2. DATE

01 Jun 2017

I, [REDACTED], make the following  
free and voluntary statement to [REDACTED],  
whom I know to be Investigating Officer.

I make this statement of my own free will and without any threats or promises extended to me. I fully understand that this statement is given concerning my knowledge of

GySgt Tyson's history with orders to Okinawa dates back to the first set issued in Jan 16 on her request to PCS from 3DMAW to Okinawa due to issues with her Command, and receipt of a 6105. GySgt Tyson explained to me that she signed the debarment of her husband and that he could not execute orders with her until 2030. GySgt Tyson stated "I am only taking my children and mother". I specifically explained in detail that any dependents she takes requires accompanied orders, and would have to be approved through oversee's screening and area clearance by her local Command (3DMAW). Those orders were terminated due to medical reasons, that GySgt Tyson stated "I had a miscarriage of my unborn child". In October 16, I was again contacted by GySgt Tyson requesting orders to Okinawa as soon as possible, due to being removed from Combat Camera and receiving a second 6105. After another long detailed discussion about debarment of spouse and that she is only able to execute accompanied orders with children, GySgt Tyson stated "I am willing to execute accompanied orders with my husband and son or unaccompanied orders with my son, I/we are prepared to leave with-in 60 days". I specifically told her that she can not execute orders with spouse due to debarment of spouse from Okinawa. I also told GySgt Tyson it is the local Commands responsibility to certify and approve the oversee's screening and area clearance paperwork. This process will disqualify him from accompanying GySgt Tyson to Okinawa. She stated "the Command will approve him to go, if he does not go on any military installations on Okinawa" I told her that does not sound right, and GySgt Tyson acknowledged he is not allowed with her signature on the debarment letter, but the certification and approval responsibilities are with the local Command. As for the family care plan, that is 100% the individual Marine's responsibility and the local Command reviews for supportability and completion. I never have any visibility of oversee's screening, area clearance or family care plans at Headquarters Marine Corps. I was completely unaware of GySgt Tyson's spouse being located on Okinawa until [REDACTED] (MCIPAC Combat Camera) stated "GySgt Tyson's spouse was detained due to debarment from Okinawa until 2030 for narcotics". I was completely speechless, knowing that GySgt Tyson signed the debarment, my detailed explanation of the overseas screening and area clearance process, and most of all how many times I told GySgt Tyson, she cannot take her husband due to the debarment and the accompanied orders are for her and her children. If you would like to discuss in detail, we can schedule a time to talk via phone conversation, as I will be on terminal leave on 08 June 2017. I can be reach at [REDACTED]. Thank you.
